

THE POTTER'S HEART CHILD FOUNDATION – KANJUKI SCHOOL, A DREAM COME TRUE

Through “Enhancing the global partnership for sustainable development, complemented by multi-stakeholder partnerships that mobilize and share knowledge, expertise, technology and financial resources, to support the achievement of the sustainable development goals in all countries, in particular developing countries” was the approach that the Potter’s Heart Child Foundation thought to use (**SDG-17**) and source for the financial assistance from friends in the Malta government (**Rotary Club Malta**) through the contact person from Kids of Africa – Swiss African Children’s Home. ***Great ideas can contribute to great developments if we believe in ourselves..!*** How the project has been achieved: Please view the pictorial plate:

Water Project: The school and community received a new borehole drilled at the school land

The Project received funds from the Rotary Club Malta from the Malta government and channeled funds through Rotary Club of Bwebajja in Entebbe for proper supervision, accountability and reporting. The Construction of 2 blocks with 10 class rooms and 1 administration block, a 14 stances latrine and urinals, below are the pictorial view of project progress. ***PHCF team leader, attending the launch of the construction project besides the local authorities and community members.***
